2009 - 2010

**RECOGNITION**

PUBLISHED IN PRATT PORTFOLIO | InProcess
SPRING 2013 - SPRING 2014 | EVERY SEMESTER

Chosen as one of three students per studio by my
professors to have my projects published in Pratt's
annual InProcess portfolio, a compilation of the top
student work in the GAUD program.

FEATURED PROJECT | Pratt's Behance Page
WWW.PORTFOLIOS.PRATT.EDU | [BEHANCE.NET]

Multiple projects were displayed on Pratt's Behance
page as "a featured project" for a period of time.

**EXPERIENCE**

FACEBOOK | DEPLOYMENT PROJECT MANAGER
JUNE 2017- DEC 2017 | MENLO PARK, CA

PROJECTS: Facebook New York; Facebook Menlo Park, California
The Internet of Things in Los Angeles, California

RESPONSIBILITIES: Deployment of current IT (Audio Visual/Video Conferencing)
systems & standards across new builds in North America and Latin America
and act as the primary point of contact (POC) during project(s) lifetime
within the IT New Builds, End User Information Technology (EUIT)
and Video Infrastructure Operations (VIO) Deployment Engineering teams.

SOM | BIM/DIGITAL DESIGN COORDINATOR
MAY 2017 - PRESENT | SAN FRANCISCO, CA

PROJECTS: From Government to Commercial Offices,
Universities and Campus Type, Facilities and Data Centers

RESPONSIBILITIES: Supporting project teams in the use of digital tools
and processes, as well as implementing and exploring new digital tools
and processes. Coordinating digital work-flow of project team(s)
and work of consultants with architectural documents and/or project BIM.
Supporting project document control tasks while maintaining quality
control. Organizing, managing and maintaining information exchange
including collarboration sites with clients and consultants.

AUTODESK | BIM/REVIT PRODUCT SPECIALIST
SEPTEMBER 2016 - MARCH 2017 | SAN FRANCISCO, CA

RESPONSIBLITIES: Troubleshooting software and hardware issues
between the customer (AEC industry) and the development team in
order to provide operational efficiencies and/or prevent disruptive
events. Ensured correct prioritization, visibility and resolution of
technical escalations to the development team. Provided readiness
training to internal teams and customers globally. Ensured
stakeholders are ready to adopt new technologies. Supported
mainly the backend of the Revit software along with BIM 360 and
Collaboration for Revit (C4R) products. (i.e. File Corruptions, Revit
Server Network, Deployment/Network Accelerator (WAN)).

QUEZADA ARCHITECTURE | BIM MANAGER
AUGUST 2015 - SEPTEMBER 2016 | SAN FRANCISCO, CA

PROJECTS:  UBER Headquarters Mission Bay
Quezada Architecture (SF) worked in collaboration with       SHoP
Architects   (NY) in designing & building the new UBER Headquar
ters (423,000 sf) located in the Mission Bay of San Francisco, CA.
Scheduled Completion 2018.

RESPONSIBLITIES: Managed a team of 15 through the BIM process
from troubleshooting to file organization, executing and complet
ing permit sets and construction documents for bidding and
construction. Software used includes Revit, Navisworks, AutoCAD,
Rhino, Photoshop, Illustrator along with some computer
programming using JavaScript.

SITU STUDIO | BIM MANAGER
MAY 2015 - AUGUST 2015 | BROOKLYN, NY

PROJECTS:  GOOGLE Creative Lab - NY Office
Commericial Office Interiors.

RESPONSIBLITIES:  Managed the BIM process from trouble-shoot
ing to file organization, designing and preparing presentation &
fabrication drawings using Revit, Rhino, AutoCAD, Photoshop &
Illustrator

D&J STONE CONTRACTORS | BIM STRATEGIST
APRIL 2011 - JULY 2012 | SAN FRANCISCO, CA

PROJECTS: Cathedral Hill Hospital ($1.7 Billon CPMC Healthcare),
Cal Memorial Football Stadium ($321 million Berkeley, CA)

RESPONSIBLITIES: Prepared Construction Documents & shop
drawings using the BIM process and software (Revit). Assisted with
Specifications, Bid Cost Estimation and Quantity Take-Offs
(OnScreen). Drafted millwork and transition details for the
production of exterior cladding from the in-house fabrication shop
